

MASTIFF

NINETEEN HUNDRED SIXTY-FIVE

Marilyn,

Thought I'd sign on the first page
so everybody can read what I said
first. I really feel privileged to sign
a Juniors annual! You're one of the
sweetest upperclassmen I know, & you'd
better stay that way! ok? Sure am
glad you're in my Geometry class because
I might need HELP!

Your friend + mine,

Darlene Wolfe

Marilyn,
Have had lots of
fun with you in the
past. Hope we have lots
more. Have lots of "fun" at
Br.'s with J. & R.
Lots of luck,
Me. 67

Marilyn,
Well what can I
say that you don't
know already. Good
luck in all your subjects
this year. We remember all
the fun we have had and will
have in High School.
Good Luck again,
A. Vonne

Marilyn,
I'm glad to have you in my geometry class
this year because it might come in handy.
I hope that we will always be good friends.

Joan

Marilyn
So bad you have to take the
whole year of Geometry over
but I guess you'll have to bear
it just one more year. Lots of luck
in your future years. I know you'll
do good

Shirley
"67"

Marilyn
Don't forget we
see good and bad
times we had in Mrs.
Miller's class. I guess
you're still in there.
We had a pretty
good P.E. class too.
Best of luck always
Lynn. 67

FOREWORD

MARY BETH JORGENSEN

CAROL ANN ORPHEY

What a year! but here it is....your 1965 MASTIFF, in spite of stolen pictures, changing editors, and camping trips. We hope that you enjoy this scrapbook of your 1964-1965 year as much as we have enjoyed putting it together. This result of our labor is more than worth the cost of that labor to ourselves. Always, of course, the more time and effort--the better the product. As the pages of this yearbook unfold, we can glance back at our past, but we must then turn and face our future because TIME PASSES.

Marilyn,
Well, I do hope
you can read this.
It sure has been sweet
knowing a sweet girl like
you! I hope we have lots
of fun together at our remain-
ing yrs. at W.H.S. and in
future years. Best of luck and
happiness!!
Love
Lynna

ADMINISTRATION

FROM THE SUPERINTENDENT

How good is your learning?
Have you thrilled with the excitement of independent discovery?
Have you structured a pattern of meaningful ideas for the subjects you have studied?
Have you created a few metaphors and myths to give depth to your knowing?
Have you made allowances for imagination and intuition in your mode of learning?
Have you exploited your full potential for knowing?
Have you developed a style of knowing which utilizes your unique gifts for an education?
Have you acquired behavior patterns which are based on spiritual values and fair play?
Have you denied the cult of certainty?
Have you rejected the idea that learning is for material gain only?
Have you kept your individuality when the pressure for uniformity threatens to ostracize you?
Have you the courage to face failure and rebound with new enthusiasm?
If you have---you are precious and rare---Seniors, I hope our schools have helped you toward these goals.
Good Luck!

CLASS OF 1965

HISTORY

'Way back in 1961
Our Freshman year had just begun.
Lynne Hileman we did elect Pres.
With Bev in second and Deneanne sec. -treas.
Bev was Homecoming Princess, should anyone ask,
And Mr. Wilcomb advised our struggling class.

Brad, Moe and Charlene led our Sophomore year,
Spring saw Lynne and Char elected to cheer.
Pep Club and "W" Club admitted us to rank,
Twirlers and Color Guard worked hard for our thanks,
Interscholastics saw Sophomores do well
And the class chose Char as our Homecoming gal.

In our Junior year our class rings came,
Shafer, Lence and Howell o'er our class did reign,
Our Prom was in April, in Paris, that is,
Mary Lockridge and Linda Carlson reigned as sweet princesses.
The Homecoming Princess Marilyn Patton did beam.
The Girls' State and Boys' State delegates were keen:
Dwayne, Bill, Kirt and Brad--to Dillon they went,
While Billie, Mary, Char and Carol to Bozeman were sent,
A special honor to the Whitefish girls' four
When Billie was elected a state officer.

Our Senior year was really a blast
And our musical efforts practically unsurpassed.
'64-'65 was for royalty
With Homecoming Queen Linda and princesses Julie and Beverly.
Julie was Prom Queen and Mary Beth, Junior Miss,
In the State contest she was second high on the list.
Interscholastics had a first, too,
When Lynne was crowned Queen, even foes could not boo.
Moe, Rick and Ruth led the officers' team,
"Paint Badrock Canyon" was our breakfast theme.
Breakfast at the Viking was certainly fine,
And dinner on Big Mountain exceedingly prime.

Graduation May 31 was filled with glad tears,
A time of joy and sorrow, treasured through years,
Four years of learning and fun are fast bygone,
The Class of '65 bids adieu as TIME MARCHES ON.

SMILE! YOU'RE ON

The Cheer-full Four, Plus one.

Just because we were 20 minutes late, no one'll trade!

Betcha thought we wouldn't use this one, huh, Lynn?!

This is Home Ec class? Wait 'til Miss O'Neill finds out

And then he said, "But Linda, I just want to finish the roll!"

CHETTY'S CAMERA!

How does it feel to be the only boy on a page full of beautiful girls?

"Hamms-- I mean --HAMS!"

Primp and talk--that's girls for ya!

Step lively, girls!

You mean we're s'posed to cheer on the Senior trip?

"Dog-gone it, Chet, my hair isn't combed-- and you KNOW this isn't my best side!"

MORE . . .

You mean you'd take that from a girl?
Bite her hand!

She inspects the floors--at least she's close enough!

C'mon Roy! Make a basket!

Four iceberg on Whitefish Lake - Notice we left out Schwenke.

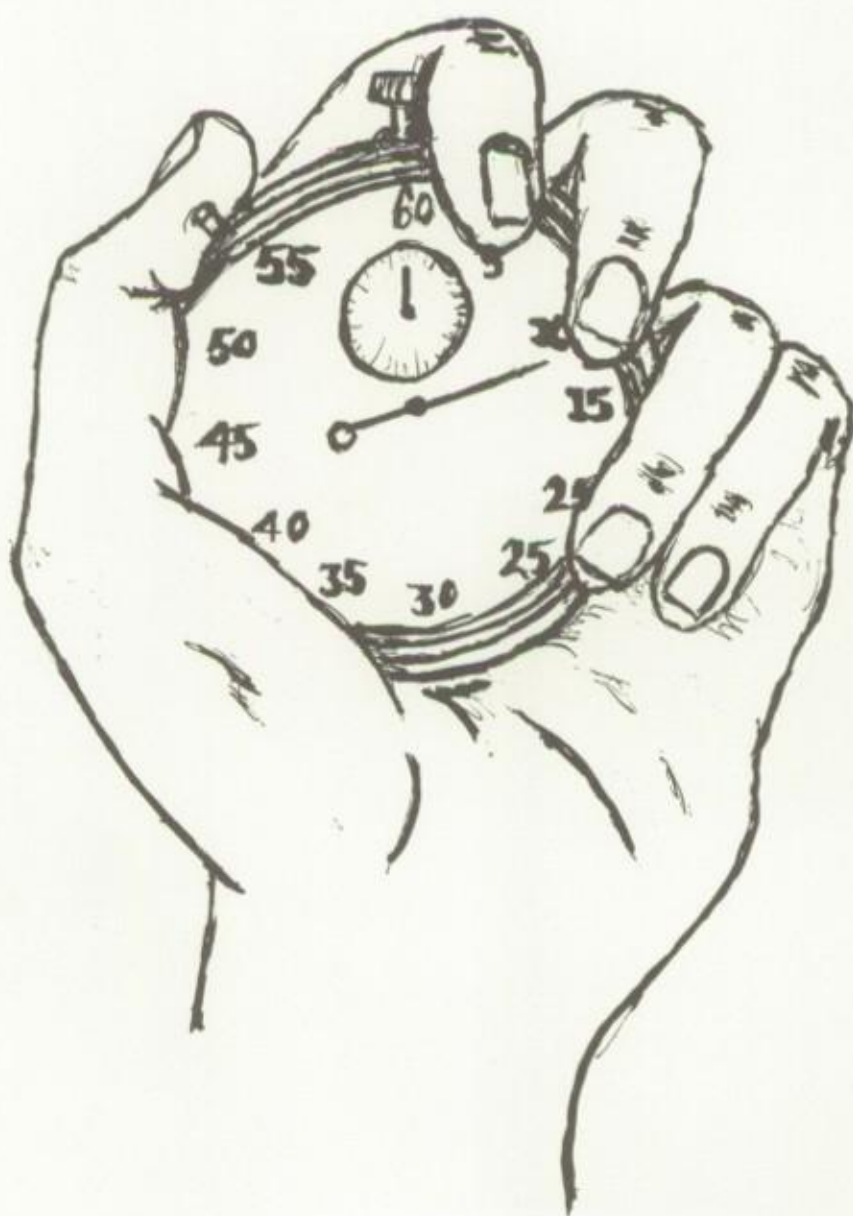

Don't bean her Terry! That pegleg ump will "throw?" you out of the game! Well, maybe not.

Hold It!!
